b. Statute of limitation	_____ years.	e. Administrative need	35 _____ years.
c. Federal law	_____ years.	f. Federal retention instructions	_____ years.

Attach copy or excerpt of laws or regulations. Explain administrative need.

see attached letter from Director of Hospital Services

12. Approved Disposition Instructions This agency recommends that the file series be cut off at the end of each:

Calendar Year; Fiscal Year; Other _____ then,

- Hold in the current files area _____ month(s) _____ year(s); then
- Transfer to local holding area; hold _____ year(s); then
- Transfer to State Records Center; hold _____ year(s); then
- Destroy.
- Transfer to State Archives for permanent retention.

Other (Specify)
Active Records

Beginning January 1, 1976, and each five years thereafter, begin new five-year division of records; transfer preceding charts to Institution Medical Records Unit for final quantitative review for completeness; hold five years; transfer to local holding area, hold five years, or until determination is made by the Institution Quality Control Board/Medical Records/Utilization Review Committee that the record may be transferred; transfer to the State Records Center, hold 25 years; then destroy by shredding.

Inactive Records

When individual dies or becomes ineligible for services in Georgia, combine all records, including the patient's medical records and Community Resource Unit records and place in the inactive file; cut off inactive file at the end of each calendar year; hold in current files area 2 years; transfer to local holding area, hold 5 years; transfer to the State Records Center, hold 28 years; then destroy by shredding.

Community Resources Unit Records (long-term follow-up summary information)

Review periodically. Upon determination that record is no longer active, (that patient has died or is no longer eligible for services), place all papers in the inactive file. Cut off inactive file at the end of each calendar year; hold in current files area 10 years; transfer to State Records Center, hold 25 years; then destroy by shredding.

These instructions apply to all prior and future accumulations of the series.
